As he has not received any reply to his letter nor to a card written on September 11, he has written us to take the matter up with you.

Kindly let us know if you have received this parcel and what to reply Mr. Chachati.

Dear Sir:-

Your letter of the 16th is at hand. I had hoped to call at your gallery and explain this situation to you, but the pressure of other things has prevented me doing so. The consignment of coins about which you write, although addressed to our Society was intended for our President, Mr. Edward T. Newell. I am reasonably sure that they were received, and I am under the impression that Mr. Newell wrote Mr. Chachati about them. He has been engaged in war work since last July however, and it may be that this has prevented his writing as he had intended. If you wish I will forward your letter to him.

I should be very glad to have you call at our Museum and to show you what we have in the way of Oriental pieces which might interest you. If during the coming week it is possible for me to call at your gallery I will do so, and we can then talk further about the matter.

Very truly yours,

Secretary.
